

Hello Everyone

Hope all is good and you have had a Happy New Year thus far.

The time has come for our next wine dinner. Once again we will be working with Dirk from the wine seller. We have gotten several requests to revisit some of our favorite meals from previous wine dinners. I am in the process of trying to select the menu and then Dirk is going to pair wines with the menu. I think based on Sunday night we will just call this the Food Grammy's Wine Dinner. I should have the menu out by next weekend. The Wine Dinner will be Sunday March 10<sup>th</sup>. The cost will be \$70 per person which includes your tax & gratuity. Hope to see everyone soon, if you have any questions or want to make reservations just respond to this email.

Thanks

KT & Pat
